The municipality is located about 20 kilometers northeast of Palma, the capital of Mallorca, and is easily accessible via the Ma-13 freeway, which provides quick access to the city and the international airport.

The town itself is characterized by its traditional architecture, narrow streets and numerous historic buildings. Santa Maria del Camí is surrounded by a lush, agricultural landscape dominated by vineyards, olive groves and almond trees. This region is particularly known for its wine production and is home to some of the best wineries on the island, attracting local and international visitors.

The village has an excellent infrastructure with various stores, supermarkets, restaurants and cafés that make daily life pleasant and convenient. Every Sunday, a large weekly market is held in the central market square, selling fresh local produce, handicrafts and other goods.
